

# Service Lloyds- Filing a Claim, Claims forms and Postings

www.servicelloyds.com

## File a Claim

Our home office staff is focused on the rules and regulations that govern claims to affect the most beneficial outcome for both the injured worker and the employer. Our primary emphasis is helping injured workers recover from their injuries so they can return to their previous employment when it is medically safe. From the first contact, our team is discussing the employee's injury, treatment and working closely with the employer to create a light duty program to support a safe return to work.

To get started, please enter your policy number in the field below including all letters and numbers

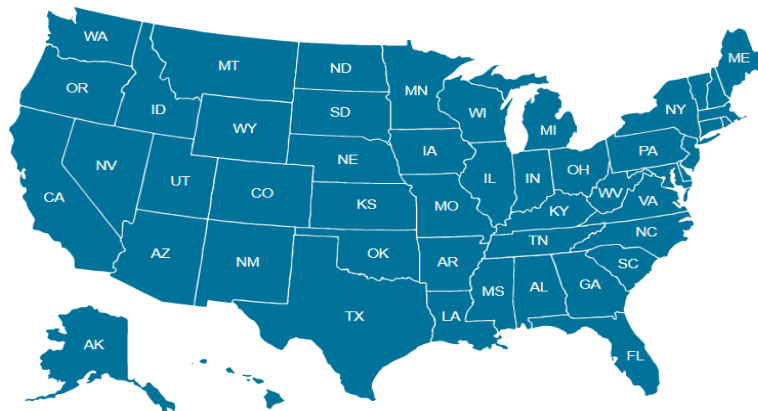

If you do not know your policy number, please give us a call at (844) 740-7007.

Type in: SLICWC, that is all that is required at this step.
